

Research Unit Forest Dynamics - colloquium

Date: 17.03.2020

Time: 13:00

Room: Engler

Duration: 25 minutes

Author: Lothar Nunnenmacher, Lib4RI, EAWAG Dübendorf

Title: Open Access to Scientific Publications

Abstract:

The presentation will cover reasons to publish Open Access (OA), including funder requirements. Different models of OA will be discussed. Besides gold OA the focus will be on the possibilities to self-archive your work in the institutional repository (green OA). Finally, the negotiations of swissuniversities with the big publishers and the implications for your work will be addressed.
